Re: Toy Donations

Greetings,

We the members of the Cpl. Kevin J. Reinhard Detachment of the Marine Corps League wish to take this opportunity to thank the Wolf Pack Hockey Club for the donations of toys during our 2021 Holiday Toy Drive. Your support and generosity was again so very evident.

The toys you donated, along with others, have all been delivered to a number of civic and charitable organizations in our and the immediate surrounding areas. These entities have programs in place whereas they deal with families along with others on a daily basis where there is a need. Each is also known to us as having special programs in place for children, most especially during the holidays, where the "good little boys and girls" each receive gifts from Santa. This gift giving would not have been as successful as it was if not for thoughtfulness and generosity of folks such as you all.

Again, a special thanks to all at the Wolf Pack Hockey Club for your continued support and generosity.

Wishing you all a very Happy, Healthy and Prosperous New Year!

Sincerely,

Paul B. Coleman
Adjutant
